

School Portrait Program

Pre School, Elementary School, High School, Seniors, Dances and Groups

Administrators and staff are very busy people. We are here to keep it simple.

Choosing the right service partner for your school photography program is an important step in working with your students and families. OPG is an experienced local service provider for your program.

Olympic Photo Group is your local and independently owned full-service studio. We are owner based in Kitsap County with owner-partners that work hard to treat every picture day experience like a portrait session.

Why consider Olympic Photo Group?

- OPG is local, we see you in the stores and in the community. Our commitment is an extension of our reputations and we treat each student as a portrait experience. No cattle lines with our team.
- We are truly involved in the community. We donate time and services to support the community. It can be in the form of PTA or ASB support. We are involved with local charitable fundraisers and other philanthropic events.
- Broad product portfolio. Our products contain both traditional and industry leading innovative products!
- Family friendly packages and pricing. Our packages are designed for easy sharing and ease on family budgets.
- Local support. OPG supports retakes, retouching and one-on-one work with families when needed.
- Professional and efficient workflow make photo day a seamless experience for your classes and staff.

For Admins:

-Full Admin support with outputs designed to support your data systems.

-ID cards available with custom designs for both functionality and keepsake.

-Broad range of classroom support with sticker pages, mugbooks, yearbook outputs and composites.
